

**Because great
Ophthalmologists
see the difference.**

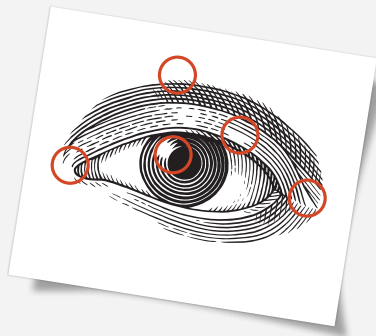

If you share Vista's viewpoint that your patients deserve the very best in care, safety and facilities, we invite you to discover the many benefits of Vista Day Surgery.

A snapshot of Vista advantages:

- ▶ Premium quality and resourced, state-of-the-art, purpose-built facility.
- ▶ Highly trained and experienced clinical and administrative staff.
- ▶ Easily accessible – on the Park Lands fringe, close to Adelaide's CBD. Ample undercover parking.
- ▶ We support your practice, becoming a valuable extension of your rooms.
- ▶ The highest level of risk management.
- ▶ 7 "Met with Merits" accreditation ratings.

The Vista Difference:

Our Focus

At Vista, your patients are our priority. Our dedicated team provide the highest level of care before, during and after their procedure. As a modern purpose-built facility, Vista Day Surgery offers a calm, pristine and organised environment with two operating rooms for Ophthalmologists to perform surgery.

When your patients visit our facility for a procedure they are greeted by warm, friendly receptionists, comforted by experienced and empathetic nurses and cared for in an immaculately bright and clean environment.

As an Ophthalmologist, you focus on your patients' health and safety and Vista Day Surgery work with you to provide quality care throughout their journey. Our team are highly trained and experienced in caring for patients through different procedures from cataract surgery to oculoplasty. The clinical team ensure custom packs are put together for Doctors' preferences with the highest infection prevention and control standards, ensuring familiarity and quick case change overs.

Nestled between the city and the Adelaide Hills, our hospital is the ideal combination of easily accessible yet calm and tranquil. With ample undercover parking and public transport availability it makes visiting Vista Day Surgery convenient for Doctors, patients and visitors.

Your Transition

Joining the Vista Day Surgery family is swift and organised. Our team will work closely with your rooms to ensure a smooth transition and ensure all preferences and consumables are arranged in advance.

You will have support from our experienced administration and nursing staff who will guide you and your practice through the process to make operating from Vista Day Surgery convenient.

Your patients will be welcomed into our facility with care so that you can feel comfortable knowing they are in great hands. Our team liaise directly with your practice manager and staff to ensure clear communication and documentation.

Never worry about the burden of stock, our highly skilled clinical team are meticulous in ensuring operating lists run smoothly at Vista Day Surgery and all equipment and consumables are organised in advance.

Our Difference

Communication and team work is at the core of Vista Day Surgery operations and all staff including nurses, surgeons and anaesthetists are invited to take part in our pre-session Team Safety Huddle. A quick two minute briefing to collectively focus on the tasks ahead ensuring quality care and lessening the risk of adverse events.

At Vista Day Surgery the management and clinical team work side by side for the best interest of the patients. Being boutique in size means we can offer flexibility and respond quickly to situations and requests. The executive team is easily accessed for feedback and discussions.

The environment is one of collaboration, support and empowerment. It's important that you feel encouraged to have open, clear, communication with our team and we regularly review how we can continue to assist you and your practice.

We value the relationships with our Doctors at Vista Day Surgery and are able to provide space and support for patient information sessions and education.

Our passion and intense commitment to patient safety and quality of care is reflected in our 'met with merit' accreditation ratings, achieved in seven areas of risk management and governance.

Vista Day Surgery is fully licensed with SA Health and has achieved accreditation to the National Safety and Quality Health Service Standards (NSQHS Standards) and with AS/NZS ISO9001.
